### Media Release

The Columbia County Commissioners will be offering Covid-19 Rapid Testing (15-minute results) for residents of Columbia County as well as those individuals that work in Columbia County at Susquehanna Valley Medical Specialties at 6850 Lowes Road beginning on Monday December 7, 2020.

Potential candidates will need to live or work in Columbia County and be symptomatic in order to qualify for a test. Symptoms include: Fever, Cough, Shortness of breath, loss of taste or smell or body aches.

Please call 570-389-5737(Monday –Friday Only) between the hours of 8am and 4pm to make an appointment. There are limited tests available and you MUST have an appointment. You will need to answer a few questions to make sure you are eligible for this test as well.

No appointments will be taken on the following dates: December 24, 25 and 31, 2020 and January 1, 2021

Upon arrival at Susquehanna Valley Medical Specialties, you must stay in your vehicle and provide a valid ID to the staff. You will need to wait for 15 minutes to obtain your results. You will receive directions upon receiving your test results as well.

We would like to thank ALL of the staff at Susquehanna Valley Medical Specialties for collaborating with Columbia County and Bloomsburg University to make this testing possible. The Columbia County Commissioners are dedicated to those living and working in Columbia County. They have worked tirelessly to keep everyone safe and healthy since the beginning of this Pandemic.
